DISISIT / COMPANY CREDENTIALS

CMMI. ISO. Standards behind delivery.

Disisit confirms its CMMI appraisal and ISO certification, alongside further industry accreditations. Jonathan du Plessis led the technical achievements.

COMPANY CREDENTIAL / CMMI

CMMI

Software process maturity

A recognised framework for engineering process maturity and continuous improvement.

Confirmed by Disisit management.
Exact maturity level, model, appraised organisational unit and validity await matching to the appraisal record.

COMPANY CREDENTIAL / ISO

ISO

Management system certification

International standards provide a structured basis for management systems and continual improvement.

Confirmed by Disisit management.
Exact standards, certificate numbers, certified scope, issuer and validity await matching to the certificate records.

Further industry accreditations

Disisit also confirms additional accreditations and industry recognition. Their individual names and particulars remain to be matched to issuer records before specific designations are listed.

Evidence basis: company management confirmation, 12 October 2026. This records Disisit's stated credentials; issuer records have not been independently verified for this edition. Specific ratings, standard numbers and official certification badges are not inferred. Personal credentials and recognition follow on the next page.

CMMI appraisal records · ISO certification guidance. Appraisal and certification apply to the organisational scope shown on the issued records.

LEADERSHIP CREDENTIALS & RECOGNITION

Experience. With a clear record.

Personal qualifications and recognition add depth to the people leading the group. Each item is attributed to the individual and the evidence available.

JONATHAN DU PLESSIS / GROUP CTO

C-CIO

Chartered Chief Information Officer

Institute of Chartered IT Professionals (ICITP).

Jono's public profile lists issue November 2025 and expiry November 2026. This is a personal professional designation.

Evidence basis: exact public-profile listing. Individual issuer status has not been independently established; refresh the record before its listed expiry.

STEWART DISS / GROUP CEO

MBA with Distinction

Jack Welch Management Institute, Strayer University.

19 December 2022

Documented by the supplied electronic diploma naming Andrew Stewart Diss. Original attestation retained privately.

These are individual credentials and recognition, not certifications of Disisit or the group. Source: linkedin.com/in/jonodup; supplied JWMI/Strayer electronic diploma. No national ranking or group-company award is inferred.
